Flourishing Together Releasing Potential Inspiring Futures

St. Bart's Mission

We ensure that every academy is a flourishing community, dedicated to releasing potential and inspiring ambitious futures through exceptional education.

St. Bart's Vision and Values

Releasing potential together through **PEACE**:

PASSION

We pursue excellence with energy and purpose, releasing the potential within every child and adult.

ENCOURAGEMENT

We nurture confidence and resilience, supporting each individual so that they can thrive.

AMBITION

We set high expectations, striving for fairness and opportunity so that potential is not limited by circumstance.

COLLABORATION

We work together in partnership, recognising that flourishing comes when we share strengths and support one another.

ENJOYMENT

We celebrate learning and community life, creating joy-filled environments where potential can flourish.

Our Trust Christian ethos is captured by the **PEACE** values and all schools work in close partnership (*whether C of E or community*) to ensure that all children, adults and the communities they serve flourish just as Jesus encouraged us to do in John 10:10 – ***“I have come that they may have life, and have it to the full.”***

St. Bart's vision includes a strong commitment to preparing our children for a world impacted by climate change, through learning and practical experience. We encourage pupils and staff to consider the impact of their actions locally and globally, while embedding climate change education across our curriculum, and sustainability into our ethos and Trust-wide practice.

Feedback, Concerns and Complaints Procedure

1. Using this Feedback, concerns and complaints procedure

This section provides an overview of what we need from you and what you can expect from us when raising feedback, concerns or complaints. Please refer to the sections referenced below for full details.

1.1. What we need from you

- Raise concerns as soon as possible – we will not usually consider matters that happened more than three months ago (see [Section 6](#)).
- Try to resolve matters informally first – this is usually the quickest way to sort things out (see [Section 4](#) and [Section 9](#)).
- Explain your concern or complaint clearly and concisely, including what happened, what has already been done and what you would like us to do to put things right (see [Section 5](#)).
- Use the complaint forms provided at [Annex 3](#) and [Annex 4](#) when raising or escalating a formal complaint (see [Section 5](#)).
- Treat our staff and governors/trustees with respect and courtesy – we will not accept inappropriate, abusive or threatening behaviour (see [Section 2](#) and [Part 3](#)).
- Avoid discussing the details of your complaint publicly, including on social media, while we are investigating – you are of course welcome to discuss the matter privately with a companion, advisor or support organisation (see [Section 5](#)).

1.2. What you can expect from us

- We will treat you with respect and courtesy at all times (see [Section 2](#)).
- We will acknowledge your formal complaint within **5** school days, normally arrange a meeting or discussion within **15** school days, and usually provide a written response within **15** school days (see [Section 9](#)).
- If you ask for a complaints committee hearing, we will try to hold this within **20** school days of your request and write to you with the decision within **5** school days of the hearing (see [Section 9](#)).
- We will provide help if you need adjustments to use this procedure or assistance with writing your complaint (see [Section 2](#) and [Section 5](#)).

2. About the Feedback, Concerns and Complaints Procedure

St Bart's Multi-Academy Trust strives to ensure that its pupils are healthy, happy and safe, so they are able to achieve their full potential. We recognise that parents, guardians or carers play an important part in making this happen. Co-operation between parents, staff and governors leads to a shared sense of purpose and a good atmosphere across the Trust.

Before using this procedure, we encourage parents to read the '**Parent guide to school complaints**' published by Parentkind, the Department for Education, Ofsted and the Improving Education Together board, which provides helpful guidance on how to provide feedback, resolve concerns and raise complaints. A copy of this guide is available at <https://www.parentkind.org.uk/assets/parents-resources/Parent-Guide-to-School-Complaints.pdf>.

This procedure explains how we will deal with feedback, concerns and complaints about an academy, the academy trust ("Trust"), or any individual connected with it.

This procedure is for parents, carers and members of the public. [Part 1](#) explains how parents and carers of children currently registered at our academies can give feedback or raise a concern or complaint. [Part 2](#) explains how other people can do so. If you are under 18 years of age, your parent or carer will need to use this procedure on your behalf.

We will not investigate matters raised anonymously under this procedure. A complaint will be regarded as 'anonymous' if the complainant cannot be identified or their identity cannot be verified from the information provided. This includes complaints submitted using unidentifiable contact details, such as an email address that does not reveal who has made the complaint. However, we may decide to look into issues raised anonymously under other procedures (e.g. our safeguarding procedures) where we think it is right to do so.

We know that giving feedback or raising a concern or complaint can feel difficult. Our staff and governors/trustees will always treat you with respect and courtesy. We ask that you treat our staff and governors/trustees in the same way. We will not accept inappropriate, abusive or threatening behaviour towards any member of our community. If this happens, we may take action as set out in [Part 3](#) of this procedure.

On rare occasions an academy or the Trust may receive complaints from several individuals relating to the same issue. To deal with these complaints efficiently, we will follow the procedure set out in [Part 4](#) of this procedure.

Unless we decide at our discretion that it is otherwise appropriate to do so, some matters will not be dealt with under this procedure as they have their own separate procedures. These include concerns or complaints about:

- Your or your child's personal data or our handling of a request for information;
- The suspension or exclusion of your child from an academy;
- Some safeguarding and child protection concerns or complaints; and
- Some concerns or complaints about the conduct of members of our staff or governors/trustees or members.

Please see [Annex 1](#) for the full list of matters not covered by this procedure and where to go instead.

If you need any adjustments to help you use this procedure, please let us know. For example, we can provide information in different formats or help you put your complaint in writing.

3. What do we mean by certain words in this procedure?

- A **'Meeting'** and **'Hearing'** can be in person, by telephone or by video call, as long as everyone can take part and is happy to do so. In exceptional circumstances, including where there are concerns about the safety or wellbeing of any participant, we reserve the right to determine the format of the meeting or hearing without the agreement of all parties, and will notify those involved of the reasons for doing so.
- **'Parent'** means a biological parent, carers or anyone who has parental responsibility or care for a child;
- **'School days'** means days when our academies are open to pupils. It does not include weekends, school holidays or days when our academies are closed to pupils.
- **'Trust'** means St Bart's Multi-Academy Trust.

4. How this procedure works

We use a step-by-step approach to deal with feedback, concerns and complaints fairly and proportionately. The stages are:

Informal stage - we encourage you to always try to resolve any issues informally first. Raising matters informally is usually the quickest way to sort things out and most issues can be resolved at this stage. At this stage, you may want to share:

- feedback – where you want to share your voice with us without needing us to respond, but you want us to listen and take it on board;
- concerns – where you have a worry or doubt over an important issue and you are looking for reassurance; or
- complaints – where you are dissatisfied with our actions or lack of action.

Formal complaint stage – if the matter is not resolved at the informal stage, you can make a formal complaint in writing. Your formal complaint will be investigated, and you will receive a written response explaining our decision and any action we will take.

Complaints committee or review stage - if you are not happy with the outcome of your formal complaint, you can ask for it to be reviewed. The committee/reviewer will consider your reasons for disagreeing with our decision at the formal complaint stage and can make recommendations about how to put things right. This is the final stage of this procedure.

Please do not approach individual governors, trustees or members to raise concerns or complaints. They cannot act on their own and getting them involved too early may stop them from helping you at later stages.

Someone else can raise your concern or complaint on your behalf if you let us know in writing that you give them permission to do so. If you want to raise a concern on behalf of someone else, then you will need to give us their full name and ask them to confirm to us in writing that they consent to you doing so.

You can bring someone with you to any meeting or hearing, such as a friend, relative, interpreter or advocate, provided that you let us know the name and role of the person in advance. If we have a genuine reason to object to the person you want to bring with you, we will let you know the reasons for this and ask you to choose someone else.

5. Raising Matters Effectively

When raising concerns or complaints, it is very important that you explain clearly:

- What your concern/complaint is;
- What has already been done to try and resolve it;
- Names of any witnesses, dates and times of what happened and copies of any relevant documents; and
- What you would like us to do about it to put things right.

We encourage you to:

- Focus on the relevant facts - what happened, when and who was involved;
- Remain objective and direct your concern towards processes or decisions rather than target individuals; and
- Suggest clear and realistic outcomes so that we can see what is possible and we can try to resolve the matter constructively.

For the avoidance of doubt, certain outcomes are not available under this procedure. These include but are not limited to:

- outcomes relating to staff disciplinary action — any disciplinary matters will be handled confidentially under our internal staff procedures, and you will not be informed of any action taken; and
- financial compensation or payments of any kind.

We ask that you keep your complaint and any supporting documents short and focused on the issues that matter. If what you send us is too long, repeats the same points or includes information that is not relevant, it may take us longer to look into and respond to your concerns. As a guide, we would not expect a letter or email to be longer than two sides of A4 (about 1,000 words). If you send us more than we need, we may ask you to tell us which issues and documents are most important and put the timescales in this procedure on hold until you do. If we think a concern or complaint is being pursued in a way that is unreasonable, we may deal with it under [Part 3](#) of this procedure.

We encourage clear, respectful and human-led communication rather than automated or highly formal AI generated text. However, if you choose to use artificial intelligence (AI) tools (such as ChatGPT, Microsoft Copilot, Google Gemini or similar) to help you draft or structure your concern or complaint, please read the guidance set out in [Annex 2](#) of this procedure before doing so. AI tools can be helpful in organising your thoughts and presenting your concern or complaint clearly, but they must be used carefully. You are responsible for the accuracy and content of anything you submit to us, regardless of whether AI was used to help prepare it. AI generated documentation may make reference to inaccurate information and make complaints more complex than necessary.

Complainants are reminded that publicly available Artificial Intelligence (AI) platforms and chatbots are not confidential. Complaints, and in particular those containing the personal data of students, staff and other individuals, should not therefore be uploaded to or processed via such platforms.

Staff will not spend a disproportionate amount of time attempting to interpret and respond to communications with these characteristics: A complaint which is excessively lengthy or complex, overly legalistic in tone, introduces inaccurate information, misstates the law or which raises matters that are not directly relevant to the complainant's actual concerns. In those circumstances, we will pause the procedure until the person dealing with the complaint receives the required clarification or summary.

For formal complaints, please complete all sections of the complaint form at [Annex 3](#). When asking for our response to your formal complaint to be reviewed, please complete all sections of the complaints committee hearing and review request form at [Annex 4](#). Put '*complaint*' in the subject line of your email or clearly on any correspondence so we can deal with it quickly.

If you need help with writing or escalating your complaint, please contact the **Academy office** or **Trust Central Office** office@sbmat.org and they will arrange for a member of staff to help you. You can also ask organisations like [Citizens Advice](#) to help you.

To assist us in investigating your complaint fairly and thoroughly, we ask that you refrain from discussing the details of your complaint publicly, including on social media, while the matter is being considered under this procedure. This helps to protect the privacy of all individuals involved and supports the integrity of the investigation. Nothing in this paragraph prevents you from discussing the matter privately with a companion, advisor or support organisation from whom you are seeking advice or support.

6. Time scales

Please raise concerns or complaints as soon as possible. We will not usually consider matters that happened more than three months ago, unless there are exceptional circumstances.

Where correspondence is received outside of term time, we will consider it to have been received on the first school day following the holiday period.

This procedure sets out timescales that we will work to, to try and resolve your concern or complaint in a timely way. We will always try to meet these timescales. However, sometimes we may need more time than set out in this procedure. If so, we will explain why and give you new timeframes.

If we need more information from you to understand your concern or complaint or the outcomes you are seeking, we will let you know what we need and pause the timescales in this procedure until we have it.

If we receive a complaint which is excessively lengthy or complex, overly legalistic in tone, introduces inaccurate information, misstates the law or which raises matters that are not directly relevant to the complainant's actual concerns, we will pause the procedure until the person dealing with the complaint receives the required clarification or summary.

If you threaten or start legal action against us about matters which are the same, substantially similar or based on the same facts as issues raised in your concern or complaint, we may need to pause our consideration of the matter until the legal action is concluded. This is likely to cause a delay to the resolution of your concern or complaint.

We also encourage you not to approach other organisations (for example, Ofsted, the local authority or the Teaching Regulation Agency) about your concern or complaint until you have completed this procedure. If other organisations are looking into or will be determining the same issues, we may need to pause our consideration of these matters under this procedure until their investigations have finished or findings have been made, which can cause a delay to the resolution of your concern or complaint.

We have a duty to use our staff time and resources proportionately and in the best interests of all pupils, and we will take this into account when deciding how to manage multiple concerns or complaints raised at the same time. Where you raise more than one concern or complaint at the same time or raise a new concern or complaint while an existing matter is still being considered under this procedure, we may combine these and deal with them together. Where you raise a new concern or complaint while a complaints committee hearing or review in respect of an earlier complaint is pending, we may at our discretion pause the complaints committee hearing or review until the new matter has been investigated and responded to under this procedure.

You may withdraw your concern or complaint at any stage of this procedure by notifying us in writing. Your written notification should be sent to the person who is currently dealing with your concern or complaint or, if you are unsure, to the Trust Central Office, office@sbmat.org.

7. Record keeping

Staff members are encouraged to log all informal concerns on the academy administration system and inform the head of school/principal of any serious concerns.

We keep a record of all complaints that reach the formal complaint or complaints committee/review stages. This includes how and when the complaint was resolved, and any action we took as a result.

We keep records in line with our data retention policy and data protection law. We keep all complaint details confidential, except where:

- The Secretary of State asks to see them;
- They are needed for an academy inspection;
- An individual has a legal right to see their own personal information in the records; or
- The law requires us to share them.

The findings and recommendations from any complaints committee decision will be shared with the Trust and the head of school/principal of the academy.

Electronic recordings of any meetings or the complaints committee hearing will not be permitted by attendees or panel members unless there are very good reasons to do so and all parties to the meeting or hearing give their written consent.

The Trust holds the right to allow the Governance Professional to use a recording device during a complaints committee hearing to support the production of sufficient notes which provide an accurate reflection of the points considered and any decisions taken or actions agreed. Recording devices will not be used without the prior consent of all parties. The electronic recording of the hearing will not under any circumstances be shared with any other parties and will be used solely by the Governance Professional to produce meeting notes. The recording will be deleted once the notes have been documented.

8. Review of complaints

The Trust Board and Local Governing Committee will monitor the level and nature of complaints and review the outcomes on a regular basis to ensure the effectiveness of the procedure and make changes where necessary.

The Principal will report any official complaints in the Principal's Report to Governors and to the Multi-Academy Trust.

The CEO will produce an annual summary report of complaints received across the Trust, together with outcomes to the Trust Board.

As well as addressing an individual's complaint, the process of listening to and resolving complaints will contribute to Academy and/or Trust improvement. When individual complaints are heard, the Local Governing Committee/ Trust Board may identify underlying issues that need to be addressed.

The monitoring and review of complaints by the Academy / Trust and its governance will also be a useful tool in evaluating the Trust / Academy's Performance.

9. Part 1: complaints procedure for parents

Stage 1 – Raising matters informally

At this stage, you may want to share:

- Feedback – where you want to share your voice with us without needing us to respond, but you want us to listen and take it on board;
- Concerns – where you have a worry or doubt over an important issue and you are looking for reassurance; or
- Complaints – where you are dissatisfied with our actions or lack of action.

Before raising matters informally, please refer to [Section 5](#) of this procedure: 'Raising matters effectively'. You can raise matters in person, by email or by telephone.

We encourage you to raise matters first with the member of staff closest to your child, such as their class teacher, as they will usually be best placed to help you. Most matters at this stage will be dealt with by them or another senior member of staff. Matters raised informally will not normally be considered by the head of school/principal or by a governor or trustee as getting them involved too early may stop them from helping you at later stages. If you are not sure who to raise the matter with informally, then contact the Academy office or Trust Central Office office@sbmat.org who will direct you to the most appropriate person.

Most matters can be sorted out quickly by informal meetings (in-person or online) or telephone discussions with the right member of staff, rather than by exchange of emails. These meetings or telephone discussions may need to be arranged in advance to make sure the right member of staff is available to discuss the matter with you and has the time to listen and put things right.

There is no set timeframe for consideration of informal concerns, but we would expect most matters to be resolved within **15 school days**. If we cannot find a solution, we will let you know that you can move to making a formal complaint in writing.

Stage 2 – Making a formal complaint in writing

If the matter is not resolved at the informal stage, you can make a formal complaint in writing. You do not have to raise your concern informally before making a formal complaint, but we encourage you to do so as it is usually the quickest way to resolve matters. We encourage you to approach the formal complaint process constructively and with a focus on solutions, recognising that a positive ongoing relationship between you and the school is in the best interests of your child.

Before raising a formal complaint, please refer to [Section 5](#) of this procedure: ‘**Raising matters effectively**’.

The table below sets out who you should send your formal complaint to and who will usually investigate and respond to your complaint:

What is the complaint about?	Who should the complaint be sent to?	Who will investigate?
An academy or the academy’s actions.	Head of school/principal of the academy.	Head of school/principal of the academy or a member of staff appointed by them.
The Trust or the Trust’s actions.	Chief Executive Officer (CEO).	The CEO or a member of Trust staff appointed by them. In some circumstances, a trustee may be appointed to investigate.
The local governing committee or the actions of a local governing committee.	Chief Executive Officer (CEO).	The CEO or a member of Trust staff appointed by them. In some circumstances, a trustee may be appointed to investigate.
The Board of Trustees or the actions of the Board of Trustees.	Governance Professional.	A Member.

In some cases, it may be appropriate for us to handle complaints about the conduct of members of our staff or governors/trustees or members confidentially under our internal staff and governance procedures, rather than under this feedback, concerns and complaints procedure. You will not be informed of any disciplinary action taken against a member of staff or a governor/trustee or member. However, we will always let you know that the matter is being addressed and share such information as we are lawfully able to. The table below sets out who you should send your formal complaint to and who will usually investigate the matter:

Who is the complaint about?	Who should the complaint be sent to?	Who will investigate?
-----------------------------	--------------------------------------	-----------------------

A member of staff of the academy other than the Head of school/principal of the academy.	Head of school/principal of the academy.	Head of school/principal of the academy or a member of staff appointed by them.
Head of school/principal of the academy.	Chair of the LGC, via the Academy Office.	Chair of the LGC. In some circumstances, a different local governor or trustee may be appointed to investigate.
A member of staff of the Trust other than the CEO.	CEO.	CEO or a member of Trust staff appointed by them.
CEO.	Chair of the Trust Board.	Chair of the Trust Board. In some circumstances, a different trustee may be appointed to investigate.
A member of the Local Governing Committee.	Chief Executive Officer (CEO).	The CEO or a member of Trust staff appointed by them. In some circumstances, a trustee may be appointed to investigate.
A trustee.	Chair of the Trust Board NB if complaint is about the Chair send the complaint to the Trust Governance Professional.	Chair of the Trust Board if complaint is about the Chair, then the Vice Chair will investigate.
A member.	Governance Professional.	A member.

If you are not sure who to send your complaint to, then contact the Trust Central Office, office@sbmat.org who can help you.

We may engage an independent, external person to carry out the investigation into your complaint, or to review the investigation and response. This may be appropriate where the complaint is particularly complex or involves legal issues.

We will acknowledge your complaint in writing within **5 school days**. We will explain what happens next, who will investigate your complaint and when you can expect a response.

We will normally invite you to a meeting (in-person or online) or arrange a telephone discussion with you to discuss your complaint and explore how we can resolve it. We encourage you to attend this meeting/discussion so we can better understand your concerns and try and put things right. We will try to hold this meeting within **15 school days** of receiving your complaint.

When investigating your complaint, we may need to share all or some of your complaint or discuss this with:

- members of staff; and
- your child or other pupils/students - pupils/students may be interviewed with their parent or with an appropriate member of staff present.

Once we have looked into your complaint, we will write to you with our decision and explain our reasons. We will tell you what action we will take. We will usually provide you with our written response to your complaint within **15 school days** of your complaint being raised or our meeting with you to discuss your complaint, whichever is the later. Whatever the outcome, we are committed to working with you to move forward positively and to maintain a constructive relationship in the best interests of your child's education.

In some cases, we may invite you to a meeting (in-person or online) or arrange a telephone discussion with you to discuss your complaint and our findings. We encourage you to attend this meeting/discussion so we can explain why we have reached our decision and answer questions you may have. We will try to hold this meeting within **10 school days** of providing you with our written response.

Stage 3 – Asking the complaints committee to review your complaint at a hearing

9.1. How to ask for a complaints committee hearing

If you are not happy with the decision of your formal complaint, you can ask for your complaint to be reviewed by a complaints committee at a hearing. Your request must be received within **15 school days** of receiving the formal complaint outcome letter or our meeting/discussion about the outcome of your complaint if we invite you to one (whichever is the later).

Before asking for a complaints committee hearing, please refer to [Section 5](#) of this procedure: ‘**Raising matters effectively**’.

The complaints committee cannot reinvestigate your complaint at the hearing. The purpose of the hearing is to give you the opportunity to explain why you are not happy with our decision about your formal complaint. The committee will decide if they agree with your reasons and can make recommendations about how this can be put right. For this reason, the complaints committee will not consider new complaints or evidence that is not related to your original complaint. If you have other concerns or complaints, we encourage you to raise these as informal concerns first and, if you are not happy with the outcome of this, to raise these as new formal complaints.

If your complaint was investigated and responded to by the Head of school/principal of the academy, or a member of staff appointed by them, you should send your request for a complaints committee hearing to the Academy office within **15 school days**. If your complaint was investigated and responded to by anyone else, then send your request to the Trust Central Office, office@sbmat.org (c/o Belgrave St Bartholomew’s Academy, Sussex Place, Longton, Stoke on Trent ST3 4PT) within **15 school days**. If you are not sure who to send your request to, then contact office@sbmat.org who can help you.

A complaints committee will be made up of at least three committee members and may include, but is not limited to:

- members of any local governing committee within the Trust; and
- trustees of the Trust;

with no prior involvement in the matters detailed in the complaint. One committee member will always be independent of the management and running of the academy (for example, this might be a governor from another academy within the Trust, a governor from another local school/college or an educational professional who has no link to the academy, at the Governance Professional’s discretion). The Governance Professional will appoint one of these committee members to be the chair of the complaints committee. The committee may have a legal advisor to help with legal and procedural questions during the hearing or their deliberations.

9.2. What will happen next?

We will acknowledge your request for a complaints committee hearing within **5 school days** of your request. We will write to you to explain what happens next.

We will try to hold the hearing within **20 school days** of your request. If, despite best efforts, it is not possible to find a mutually convenient date and time for a hearing within a reasonable timeframe (normally within **50 school days** of the request), the Governance Professional may decide that the hearing will proceed on the basis of written submissions only from both parties.

At least **10 school days** before the hearing, we will confirm the date, time, and place of the hearing, and who will be on the committee. If you have a genuine reason to object to a committee member, you must notify the Governance Professional no later than **5 school days** before the hearing and we will consider your objection fairly. We will also tell you who will be presenting the academy/Trust’s response.

If you want to bring someone with you to the hearing for support, such as a friend, relative, interpreter or advocate, please let the Governance Professional know and provide details of their name and role at least **5 school days** before the hearing. We do not permit parents or the academy/Trust representative(s) to bring legal representatives. Media representatives are not allowed.

If you want the complaints committee to see any documents relating to your complaint, you will need to send these to the Governance Professional at least **5 school days** before the hearing. The academy/Trust representative(s) will also need to send the Governance Professional any documents relating to your complaint at least **5 school days** before the hearing. The complaints committee will not usually consider any documentation sent less than **5 school days** prior to the hearing unless there is a very good reason for the document to have been sent late. The complaints committee will not accept as evidence any recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The documents received from both parties will be put into a bundle of documents by the Governance Professional and shared with you, the academy/Trust representative(s) and the complaints committee at least **3 days** before the hearing.

9.3. About the complaints committee hearing

If you are going to be late for the hearing, then let the Governance Professional know as soon as possible. If you have not arrived by the start of the complaints committee, the Governance Professional will attempt to contact you by telephone. If the Governance Professional is unable to speak with you within **30 minutes** of the scheduled start time, or if you tell the Governance Professional that you are not attending, the Governance Professional and/or chair of the complaints committee (as appropriate) will decide if:

- The hearing will be adjourned and re-scheduled; or
- The hearing will proceed in your absence - findings and recommendations of the complaints committee will be based on any representations made by the academy/Trust representative(s) at the hearing and the documents provided in advance by both parties.

Unless otherwise stated, the procedure for the complaints committee hearing will be as follows:

- The parent and academy/Trust representative(s) will enter the hearing together;
- The chair of the complaints committee will introduce the committee members and outline the process;
- The parent will explain the complaint;
- The academy/Trust representative(s) and committee members will question the parent;
- The academy/Trust representative(s) will explain the academy/Trust's actions;
- The parent and the committee members will question the academy/Trust representative;
- The parent will sum up their complaint;
- The academy/Trust representative will sum up the academy/Trust's actions;
- Both parties will leave together while the complaints committee decides. The Governance Professional, and any legal advisor assisting the complaints committee (if applicable), will stay to assist the complaints committee with its decision making.

The Governance Professional and/or complaints committee reserves the right to modify the above procedure if there is a good reason for them to do so.

The Governance Professional will take minutes of the complaints committee hearing to record an accurate reflection of the points considered and any decisions taken, or actions agreed. These minutes will be our record of the hearing. The minutes can be provided to you after the hearing on request once available. You are welcome to take your own notes of the hearing if you wish.

The Trust holds the right to allow the Governance Professional to use a recording device during a complaints committee hearing to support the production of sufficient notes which provide an accurate reflection of the points considered and any decisions taken or actions agreed. Recording devices will not be used without the prior consent of all parties. The electronic recording of the hearing will not under any circumstances be shared with any other parties and will be used solely by the Governance Professional to produce meeting notes. The recording will be deleted once the notes have been documented.

Any other electronic recordings of the hearing will not normally be permitted and, in any event, would require the consent of all those present.

In exceptional circumstances, a complaints committee may be adjourned and a new hearing date set. This might be needed if the complaints committee requires further evidence to make their decision. A new hearing date will take place as soon as possible and within **10 school days**.

9.4. After the hearing

After the hearing, the complaints committee will consider their decision and write to you to confirm their decision within **5 school days**. The letter will set out the decision of the complaints committee together with the reasons underpinning that decision. The complaints committee can (by a majority if necessary):

- Dismiss your complaint in whole or in part;
- Uphold the complaint in whole or in part; and/or
- Make recommendations to ensure that problems of a similar nature do not happen again.

The outcome of a formal complaint, including at the complaints committee stage, is intended to be a resolution where parents and the academy/Trust have worked together to listen and take action to support the child's education. We encourage all parties to move forward positively after the complaints process has concluded, in the interests of maintaining a supportive and constructive relationship.

9.5. Taking your complaint to the Department for Education

If you are not happy with the complaints committee's decision, you can refer your complaint to the Department for Education (DfE) which has limited powers to consider complaints about academies. The DfE cannot change our decision about your complaint but can review whether the complaint was handled properly.

Details about the DfE procedure and the DfE complaints form are available at [Complain about a school to the Department for Education - GOV.UK](https://www.gov.uk/complain-about-a-school)

9.6. Complaints about the Early Years Foundation Stage (EYFS)

To comply with the statutory framework for the Early Years Foundation Stage ("EYFS"), written concerns or complaints about whether an academy is meeting the EYFS requirements will be dealt with as follows:

1. We will acknowledge the written concern or complaint within 5 school days.

2. The head of school/principal will investigate the concern or complaint, which may include meeting with you and the early years lead. We will send you a written response with the outcome of the investigation within **28 school days** of receiving the complaint.
3. If you are not happy with the outcome, you can ask for your complaint to be reviewed by a complaints committee at a hearing, as set out in this procedure.

We will keep a record of all written complaints about EYFS requirements and their outcomes and will make this available to Ofsted on request. If you have concerns about whether an academy is meeting EYFS requirements, you can also contact Ofsted at enquiries@ofsted.gov.uk or 0300 123 4666.

10. Part 2: Concerns or complaints from other people

The procedure for raising a concern informally and for making a formal complaint in writing are the same as in [Part 1](#) of this procedure. Please refer to those sections for full details.

Asking for your complaint to be reviewed

If you are not happy with the decision of your formal complaint, you can ask for your complaint to be reviewed. Your request must be received within **15 school days** of receiving the formal complaint outcome letter or our meeting/discussion about the outcome of your complaint if we invite you to one, whichever comes later. Before asking for your complaint to be reviewed, please refer to [Section 5](#) of this procedure: '**Raising matters effectively**'. The reviewer will not reinvestigate your complaint. The purpose of the review is to hear from you why you are not happy with our decision and to decide whether to make recommendations about how this can be put right. New complaints or evidence that is not related to your original complaint will not be considered as part of the review.

If your complaint was investigated and responded to by the Head of school/principal of the academy, or a member of staff appointed by them, you should send your request for a review to the Academy Office. If your complaint was investigated and responded to by anyone else, then send your request to the Trust Central Office, office@sbmat.org (c/o Belgrave St Bartholomew's Academy, Sussex Place, Longton, Stoke on Trent ST3 4PT). If you are not sure who to send your request to, then contact office@sbmat.org who can help you.

We will acknowledge your request for a review within **5 school days**. The Academy / Trust will appoint a local governor, trustee or appropriate member of staff with no prior involvement in the matter to conduct the review. We may invite you to a meeting or arrange a telephone discussion to discuss your complaint, which we will try to hold within **10 school days** of receiving your request. Once the review is completed, we will write to you with our decision and reasons, usually within **15 school days** of your request or of meeting with you to discuss your complaint, whichever is the later.

In exceptional circumstances, where the Governance Professional considers there is a very good reason to do so, a complaints committee may be convened to review your complaint on the same terms as set out in [Part 1](#).

If you are not happy with the outcome of the review, you can refer your complaint to the Department for Education as set out in [Part 1](#) of this procedure.

11. Part 3: Repeated, vexatious, or unreasonable concerns and complaints

In rare cases, we may not follow the usual procedure. This includes where your concern or complaint is classified as repetitious, vexatious or pursued in an otherwise unreasonable manner.

The decision to classify your concern or complaint in this way will be made by an appropriately senior member of staff, such as the head of school, principal, chief executive officer or chair of governors/trustees (as appropriate).

11.1. Repeated complaints

If you make a complaint that is the same, substantially similar or based on the same facts as one we have already fully considered, and we have:

- Done everything we can reasonably do to address your concerns; and
- Given you a clear explanation of our position and your options;

we will write to tell you that the complaints procedure is finished, and we will not respond to further correspondence about these matters. We will tell you how to contact the Department for Education if you wish to take things further.

If we have already fully considered a complaint about the same subject from another member of your family, we may inform you that the matter has already been considered and the local process is complete. We will advise you to contact the Department for Education if you are dissatisfied with our handling of the original complaint.

11.2. Vexatious concerns/complaints and concerns/complaints pursued in an otherwise unreasonable manner

A concern or complaint may be considered vexatious if it:

- Is obsessive, persistent, harassing, or repetitive;
- Pursues matters that have no merit, or seeks unrealistic outcomes;
- Pursues matters in an unreasonable way;
- Is designed to cause disruption or annoyance; or
- Demands action that has no serious purpose or value.

Examples include but are not limited to:

- Refusing to explain your concern or complaint or what outcome you want, even when we offer to help;
- Refusing to cooperate with our investigation;
- Refusing to accept that some issues are not covered by this procedure;
- Insisting we deal with your concern or complaint in ways that do not fit with this procedure or good practice;
- Raising trivial or irrelevant information and expecting us to respond to it;
- Asking many detailed but unimportant questions and demanding immediate answers;
- Changing what your concern or complaint is about as we investigate;
- Seeking unrealistic outcomes, such as asking for staff to be dismissed;
- Making excessive demands on staff time through frequent, lengthy, or complicated contact while we are dealing with your concern or complaint;
- Knowingly providing false information;

- Posting information about your concern or complaint on social media or other public forums — sharing your complaint on social media can be harmful to those involved, is unlikely to lead to a quicker resolution and may be considered unreasonable behaviour;
- Encouraging or coordinating with other parents to submit multiple complaints about the same issue - your complaint should be specific to you and your child, and organising others to raise the same matter may be treated as a complaint campaign under [Part 4](#) of this procedure and may not be dealt with under the usual complaints process; or
- Using artificial intelligence (AI) tools to draft complaints or to cite laws, regulations or guidance, where the AI-generated content is inaccurate, misleading or makes the complaint more complex than necessary.

We will not accept behaviour or language towards staff, local governors, trustees, or members that is aggressive, abusive, offensive, discriminatory, or threatening or makes insulting personal comments or threats about staff.

11.3. Action we may take

In these situations, we may:

- Issue a verbal or written warning setting clear expectations for your future conduct, which may include putting in place a communication plan to manage future contact;
- Pause the complaints process until the unacceptable behaviour stops;
- Hold a complaints committee review based on written documents only, without a hearing; and/or
- Refuse to consider your complaint any further and direct you to the Department for Education.

Where you continue to send correspondence raising matters that are the same as, or broadly similar to, issues that are already being considered under this procedure, we may decide not to review or respond to such further correspondence until the existing complaint has been fully considered and responded to at the current stage of this procedure. We will write to let you know if we decide to do this. Any matters that are genuinely distinct from your existing complaint should be raised separately and will be considered on their own merits.

We may also restrict your access to the academy, Trust or our staff or governors/trustees, e.g. requesting contact in a particular form (for example, in writing only), requiring contact to take place with a named person only or limited to a particular email address, restricting telephone calls to specified days and times or number of contacts, or banning you from the academy/Trust's premises in line with our Parent Code of Conduct. Any decision to cease responding to correspondence or to decline to consider a complaint further will be communicated to you in writing, with reasons for the decision.

Where behaviour is so extreme that it threatens the safety and welfare of staff, local governors, trustees, or members, we will consider other options, for example, reporting the matter to the police, or taking legal action. In such cases, we may not give you prior warning of that action.

12. Part 4: When we receive many concerns or complaints about the same issue

On rare occasions, we may receive concerns or complaints from three or more people about the same issue. When this happens, we treat it as a 'complaint campaign'.

When this happens, we will not follow the usual procedure. Instead, we will:

- Send the same response to everyone who has raised a concern/complaint; and/or

- Publish a single response on our website.

Where the complaint campaign involves complainants who are parents or carers of pupils currently attending one of our academies, they will be entitled to escalate their complaint to a complaint committee hearing if they are dissatisfied with our response. We will consider how best to manage complaint committee hearings in such circumstances.

If you are not happy with our response, you can refer the matters to the Department for Education (DfE) which has limited powers to consider complaints about academies. The DfE cannot change our response to the 'complaint campaign' but can review whether we handled it properly.

Annex 1 - Matters not covered by this procedure

Exceptions	Who to contact
Admissions to Academies	The process for challenging admissions decisions is set out in each Academy's Admissions policy and the DfE's school admissions codes at: School admissions code - GOV.UK and School admission appeals code - GOV.UK. Parents who wish to challenge our decision to refuse their request for admission out of the normal age group (where there is no statutory right of appeal) may submit a complaint using this feedback, concerns and complaints procedure.
Collective worship	Complaints about the content of the daily act of collective worship should be directed to the local authority or the local Standing Advisory Council on Religious Education (SACRE). Complaints about the handling of a request to withdraw your child from religious education or the daily act of collective worship can be raised under this procedure.
Complaints about services provided by other providers who may use academy premises or facilities	Providers will have their own complaints procedure to deal with complaints about service. Please contact them directly.
Curriculum	Complaints about the content of the national curriculum should be directed to the Department for Education at www.education.gov.uk/contactus. However, complaints about the delivery of the curriculum, including the delivery of religious education (RE) and sex and relationships education, can be raised under this procedure.
Data Protection Matters	Complaints about data protection matters are handled under our data protection policy and in accordance with relevant guidance from the Information Commissioner's Office (ICO). If you have serious concerns, you may wish to contact the ICO directly, but the ICO will usually expect you to have raised your concerns with the Trust Data Protection Officer in the first instance.
Freedom of Information Matters	Complaints about our compliance with the Freedom of Information Act 2000 are handled under our Freedom of Information Policy and in accordance with the relevant guidance from the ICO. If you have serious concerns you may wish to contact the ICO directly, but the ICO will usually expect you to have raised your concerns with the Trust in the first instance.
Governor or Trustee Grievances	Complaints from local governors or trustees will be dealt with by the Chair of Trustees. This does not preclude governors or trustees from raising complaints in their capacity as a parent.
School re-organisation proposals	Where concerns are not adequately addressed by the Academy/ Trust complaints can be raised directly with the Department for Education. www.education.gov.uk/contactus
Safeguarding and child protection matters	Some complaints that relate to safeguarding or child protection matters will be handled under our child protection and safeguarding policy rather than under this procedure. Where that policy applies, a separate investigative process will be followed. This feedback, concerns and complaints procedure does not limit or replace any action that may be taken under our child protection and safeguarding policy, and in some cases both processes may run concurrently, or one may take precedence over the other depending on the nature of the concern raised. If you have a serious concern about a child's safety or welfare, you may also wish to contact:

	- the Local Authority Designated Officer (LADO), who has local responsibility for managing allegations against people who work with children; or - the Multi-Agency Safeguarding Hub (MASH), which coordinates safeguarding referrals across local agencies.
Staff grievances	Complaints from staff will be dealt with under the SBMAT internal Grievance Procedures.
Staff, governor/trustee or member conduct	In some cases, it may be appropriate for us to handle complaints about the conduct of members of our staff or governors/trustees or members confidentially under our internal staff and governance procedures, rather than under this feedback, concerns and complaints procedure. You will not be informed of any disciplinary action taken against a member of staff or a governor/trustee or member. However, we will always let you know that the matter is being addressed and share such information as we are lawfully able to.
Statutory assessments of Special Educational Needs	Concerns about statutory assessments of Special Educational Needs should be raised with the relevant local authority.
Suspensions and exclusions	The process for challenging suspension or exclusions decisions, or matters relating to those decisions, is set out in our suspensions and exclusions policy and the DfE's statutory guidance at: School suspensions and permanent exclusions - GOV.UK (www.gov.uk)
Whistleblowing	We have an internal whistleblowing procedure for all our employees, including temporary staff and contractors. The Secretary of State for Education is the prescribed person for matters relating to education for whistle blowers in education who do not want to raise matters direct with their employer. Referrals can be made at: www.education.gov.uk/contactus

Annex 2 - Guidance on using AI tools to raise concerns or complaints

12.1. Introduction

AI tools (such as ChatGPT, Microsoft Copilot, Google Gemini and similar large language model applications) can help you organise your thoughts, structure your concern or complaint clearly, and express yourself effectively. However, these tools have significant limitations and must be used with care.

Staff will not spend a disproportionate amount of time attempting to interpret and respond to communications with these characteristics. A complaint which is excessively lengthy or complex, overly legalistic in tone, introduces inaccurate information, misstates the law or which raises matters that are not directly relevant to the complainant's actual concerns. In those circumstances, we will pause the procedure until the person dealing with the complaint receives the required clarification or summary.

This Annex provides practical guidance on how to use AI tools effectively when raising a concern or complaint under this procedure, and what to avoid.

If you are unsure about how to use AI tools when raising a concern or complaint, or if you would like help preparing your concern or complaint, please contact the academy office and we will arrange for a member of staff to assist you.

12.2. How AI tools can help you

AI tools can be useful for:

- Organising your thoughts and structuring your concern or complaint in a clear and logical way;
- Helping you express what happened in plain, clear language if you find writing difficult;
- Summarising a timeline of events based on information you provide;
- Suggesting what outcome you might want to ask for; and
- Checking your draft for clarity, tone and spelling before you submit it.

12.3. Important limitations and risks

You should be aware of the following limitations and risks when using AI tools:

- AI tools do not know what happened – they can only work with the information you give them, and they may fill gaps with invented details that sound convincing but are untrue (this is sometimes called 'hallucination');
- AI tools may generate references to laws, regulations, policies or legal rights that do not exist, are out of date, or do not apply to your situation;
- AI tools may produce language that is overly formal, legalistic or aggressive, which may not reflect your genuine concern and may make it harder for us to resolve the matter constructively;
- any personal data (including names, dates of birth, or other identifying information about your child, other children, staff or other individuals) that you enter into an AI tool may be stored, processed or used by the AI provider in ways that are outside your control and may breach data protection law;
- AI-generated complaints that do not accurately reflect your experience may cause delays in resolving your concern, as we may need to spend time clarifying what actually happened; and
- AI tools work by predicting the most likely answer based on the information they have been trained on. They do not check whether their output is accurate or relevant to your particular situation, and the most likely-sounding answer is not always the correct one. AI tools are also designed to make you feel helped and understood, which means they may agree with your point

of view, use an overly sympathetic tone, or present your complaint in a one-sided way rather than giving a balanced account of what happened. This can wrongly reinforce your point of view and make you more fixed in your position, which may make it harder for us to work together to resolve the matter.

12.4. What to do and what to avoid

Do	Don't
Write down the key facts yourself first (what happened, when, who was involved, and what you would like us to do) before using an AI tool.	Copy and paste AI-generated text without reading and checking it thoroughly.
Use AI to help you structure and clarify what you have already written, rather than to generate the complaint from scratch.	Submit a complaint that contains facts, events or details that you have not personally verified as accurate.
Read everything the AI produces carefully and remove or correct anything that is inaccurate, exaggerated or that you did not experience.	Rely on any legal advice, references to legislation or statements about your rights generated by an AI tool without checking them independently.
Use your own words where possible – your complaint should sound like you.	Enter the names or personal data of your child, other children, staff members or any other individuals into an AI tool.
Remove all personal data (names, dates of birth and other identifying information about individuals) before entering any information into an AI tool – you can use placeholders such as 'my child', 'the class teacher' or 'Teacher A' instead.	Use AI to generate multiple or repetitive complaints about the same issue.

12.5. Example prompts for using AI tools effectively

The following example prompts illustrate how AI tools can be used effectively to help you prepare a concern or complaint.

In each case, you should replace the descriptions in square brackets with your own details, taking care not to include any personal data or names.

Example 1 Organising your thoughts:

"I want to raise a concern with my child's school about [describe the issue in general terms, e.g. 'how a bullying incident was handled']. The key things that happened are: [list the main events in the order they happened, using descriptions such as 'my child', 'the class teacher' etc. instead of names]. Can you help me organise these into a clear, chronological summary that I can use when speaking to the school?"

Why this helps: Before writing a formal complaint, it can be difficult to know where to start, particularly if a number of things have happened over a period of time. This prompt helps you to present the key events in a logical order, making it easier for us to understand your concern and for you to feel confident that nothing important has been left out.

Example 2 – Structuring a written complaint:

"I need to write a formal complaint to my child's school. The issue is [describe the issue]. I have already tried to resolve this informally by [describe what you did]. The key facts are [list the facts]. The outcome I am looking for is [describe what you want to happen]. Can you help me structure this into a clear letter, using plain language and a respectful tone? Do not add any facts or details that I have not provided."

Why this helps: A well-structured complaint is more likely to be understood and dealt with effectively. This prompt helps you to set out the issue, the steps you have already taken, the relevant facts, and the outcome you are seeking in a clear and logical way, without the AI tool adding anything you have not told it.

Example 3 – Checking tone and clarity:

"I have drafted the following complaint to my child's school: [paste your draft, with names removed]. Can you suggest how I could make this clearer and more constructive in tone, without changing the facts or adding anything new?"

Why this helps: When raising a concern or complaint, it is natural to feel frustrated or upset. This prompt allows you to check that your draft communicates your concern clearly and constructively, which is more likely to lead to a productive response, without altering the substance of what you have written.

Example 4 – Identifying what outcome to request:

"I am raising a complaint with my child's school about [describe the issue]. I am not sure what outcome to ask for. Based on the facts I have described, can you suggest some realistic outcomes I could request? Please do not suggest legal remedies or refer to specific laws."

Why this helps: It is not always easy to know what to ask for when raising a complaint. This prompt can help you to think through realistic and proportionate outcomes, whilst ensuring that the AI tool does not stray into providing legal advice, which it is not equipped to give.
